

1st Grade Summer Reading List

Reading is a skill used throughout the year. Research has shown that summer reading is extremely important for continuity of learned skills from the previous school year.

During the summer break, incoming first graders should read each day for 20 minutes.

Students may select two of their favorite books to complete a book report. Summer book reports are due the first week of school.

Before selecting a book, be sure to check the AR reading level of the book at arbookfind.com to ensure your child is reading materials at the correct level.

Below is a list of recommended books:

Clifford (series)	
Biscuit (series)	
Frog & Toad (series)	
Pete the Cat (series)	
Little Bear (series)
