

## PBES Summer Reading List

### 2nd Grade

Reading is a skill that is used throughout the entire year. Research has shown that summer reading is extremely important for continuity of learned skills from the previous school year. In an effort to continue reading skills throughout the summer months, PBES recommends that students read over the summer.

Students should read a minimum of 2 books and complete a book report for each book they read. Before selecting a book, be sure to check the AR reading level of the book at [arbookfind.com](http://arbookfind.com).

Book reports will be due the first week of school.
