

## PBES Summer Reading List

### 3<sup>rd</sup> Grade

Reading is a skill that is used throughout the entire year. Research has shown that summer reading is extremely important for continuity of learned skills from the previous school year. In an effort to continue reading skills throughout the summer months, PBES recommends that students read over the summer.

Students should read a minimum of 2 books and complete a book report for each book they read. Before selecting a book, be sure to check the AR reading level of the book at [arbookfind.com](http://arbookfind.com).

Book reports will be due the first week of school.

In addition, this year we have added the Sunshine State Young Readers Association book list for those students interested in participating in the “Battle of the Books” competition held at the district level in May 2020.

#### Third Grade Books:
