

2021-2022
Pensacola Beach
Elementary School
PTA
Welcome Packet

Welcome to a new and exciting year of school and a new year of PTA! The 2021 - 2022 school year will truly be unlike any other. As we start this special year together during the time of the COVID 19 pandemic, please remember the mission of the PTA - to positively impact the lives of children and families. Together at Pensacola Beach Elementary, we support this mission through our wide-ranging efforts by supporting school programs, supporting the school community through family events, and giving direct help to the teachers and staff at the Beach School.

If this is your first year at PBES, we would like to extend a very warm welcome to each of you! If you are a seasoned Sandpiper family, I know that you are as excited as I am to be getting the kids back to school. Whether a new PTA member or a returning member, we thank you for your contributions, time, and commitment to our organization, our teachers, and most importantly, our students! As a member of the PBES PTA, you are a voice for our kids and part of the largest child advocacy program in the world. It really is a rewarding experience!

As I start this year as your PTA President, I am looking forward to continuing the working partnership we have established with our Partners In Education (PIE), our lovely Principal Mrs. McLeod and our amazing teachers and staff. We will continue to provide an excellent learning experience for our children with the support of our members. I encourage each and every one of you to become a part of our team! You can support the PBES PTA by:

- Becoming a PTA member: sign-ups are now online. By becoming a member, you will receive voting rights at PTA meetings and an online school directory, as well as a Youth spirit shirt.
- Volunteering: share your talents with our school. By getting involved, you'll be part of the solution, helping to make positive change.
- Donating: Provide resources and time

Pensacola Beach Elementary School is truly a special place. We have an amazing community of students, parents, teachers, and staff. Contributing to the PBES PTA only enhances and strengthens this relationship. Thank you for helping to make every student's potential a reality.

Lets have a great year!!

Sincerely,

Samantha, Maggie, and Aurora

PTA Goals and Roles

We are so excited to start the 2021-2022 school year. Although there are still uncertainties with COVID 19, we expect and hope to get back on track with fundraisers, field trips, class parties and other activities. We have many goals for the PTA this year. Our first goal is to get 100% membership! The first class to reach 100% will receive an ice cream party provided by the PTA.

Another goal we have is to add onto our existing play ground to make recess and our school that much more fun for our children!! We all did such a great job last year working together to purchase all new POLYWOOD tables for our lunch area, I know we can knock it out of the park again!!

The PTA plays a vital role with our school. We work directly with our staff, parents and students. As a charter school, we don't receive as much funding as a public school receives for various items and programs that our children need to excel and succeed with their education. The PBES PTA not only tries to make memorable experiences for teachers, staff, parents and students, but we also help fund many software programs, class celebrations, teacher appreciation gifts, field trips, projects, reward programs, classroom supplies, teacher meals, and so much more.

We want to thank you, the parents and the heart of our school, for all you do and the continued support!! We live in such an amazing community and we look forward to working with every single family throughout the year and making memories to last a life time!
